Note from the Pro:

2022 is fully under way and we now have two major tournaments completed. Our Member-Member Match Play tournament will be on May 13th – 15th this year. Tournament participation has been at an all-time high again this year so we would like to thank everyone for their participation. 2022 has been an exciting year for golf equipment, too. If you have not had a chance to hit some of the great new clubs that are on the market, stop by the golf shop and try out one of our many TRIAL sets. Also, we have renewed our golf club trade-in program with PGA Value Guide. Through our partnership with PGA Value Guide, we can accept your old clubs as a trade-in for purchases on any merchandise from the golf shop. The value of the clubs that you wish to trade-in can quickly be looked up online by our golf shop staff. Once we assess the value of

your trade-in, we can apply that amount as a discount off of any purchases in the shop. However, your purchase must exceed the value of your trade-in. We cannot provide credit or cash back for any trade-in transactions. And, with the acquisition of extensive Fitting Clubs from Ping, Taylormade and Cleveland/Srixon we can also accurately fit you for your new set of clubs. The custom specifications can then be applied to any manufacturer to ensure the proper fit for your orders. We encourage you to take advantage of these services to help you play better and save money along the way. Also, be on the lookout for fitting day event through-out the summer.

Play well,
John Harrison PGA
Head Golf Professional

HOURS OF OPERATION

**Spring golf shop hours
are now in effect.**

The golf shop will be open
from 7am – 7pm Monday through Sunday.

The first tee-time is at

9am on Mondays,

7:30am Tuesday – Friday

and 7am on Weekends and Holidays.

Club Repair

The golf shop has expanded club repair services beyond re-gripping. We now offer full club repair services to include re-shafting, loft & lie adjustments and shaft extensions and trimming.

NORMAL PRICING

Loft and Lie Adjustment - \$5 per club

Re-gripping - as low as \$7 per club (depending on grip selected)

Re-shafting - as low as \$30 per club (depending on shaft selected)

See the golf shop staff for additional information.

What's NEW in the Golf Shop

- New Titleist golf balls
- Taylormade Stealth Drivers, fairway woods and hybrids
- American Needle headwear
- Taylormade TP5, TP5x & TP5 PIX balls
- Golf bags from Ping, Titleist & Taylormade
- FootJoy Apparel - Polo's, Jackets and Outerwear for Men & Ladies
- 2022 Footjoy shoe lines
- Cutter & Buck and Turtleson apparel

See the golf shop staff for additional information.

Don't Miss the Weekly Events

- **Mondays – 9am 1st Tee-Time**
- **White Tee Blitz** – every Tuesday and Thursday @ 8am and Saturday @ 8am
- **LGA** – every Tuesday @ 5:30pm, Wednesday @ 9am & Saturday @ 9:30am
- **Blue Tee Blitz** – every Friday @ 1pm & every Saturday @ 9am
- **Friday Scramble** – every Friday @ 3pm
- **Wednesday Night Blitz** – every Wednesday @ 5:30pm

Space is limited for the Saturday Blitzes, so you **MUST** sign up by 5pm Friday to participate! Call the golf shop for more details on weekly blitzes.

Friday Scramble–

Every Friday at 3pm, we will host a 9-hole scramble. Sign up individually and teams will be formed based on handicap. Sign-up in the golf shop by 12pm on Friday to participate. Coosaw Staff members will also participate when availability allows. \$5 per player, plus applicable cart fees.

Wednesday Night Madness

The Wednesday night blitz is back! The format is a 9-hole modified stable ford. We will use current handicaps to establish points and then adjust points up or down each week as the summer progresses. Since we are playing on Wednesdays, the bar will be open for after play and dinner menu available, too. So, plan now, get your \$5 ready and come out to enjoy the beautiful Charleston evenings. Hole in One Club - Policy

Please see the golf shop staff to sign up for the Hole in One Club, before you get your next ace! Each member enrolled in the Hole in One Club will be charged a maximum of \$5 each time another Hole in One Club member makes an Ace. The bar bill will be divided by all hole in one club members and covered up to the amount of one billing (i.e. if there are 100 members, the bar bill up to \$500 will be covered). Anyone not in the hole in one club who makes an ace will be responsible for their own bar tab.

**Drinks on the "Hole in One" tab will only be available to members enrolled in the Hole in One Club, with a two-drink maximum!*

Instruction Corner

Now is the time to work on your game, as the season kicks off. We offer private instruction at a fee of \$50 per lesson. Book a series of 3 private lessons for \$125 or a series of 5 private lessons for \$200.

Contact the Golf Shop at 843-767-8988 for more information.

Instructional Tip of the Month: Increase Your Swing Speed with SPEEDSTICK!

Are you looking to pick up to 10% more club head speed with your driver? Are you beginning to lose distance? Schedule a SPEEDSTICK session with us in the golf shop! John Harrison will now be offering SPEEDSTICK instruction to help maximize your club head speed as well as distance off of the tee.

Fee: \$30 for a 25-minute session.

Renovation work is in progress! The project will include 4 phases - site prep, irrigation, sodding/grassing and grow-in. We are currently still in the site prep phase which consists of tilling and stripping the "old" grass, shaping/grading the new hitting areas, installing drainage, shelling out the chipping green and then laser leveling of all areas to specifications. This is the most time consuming portion of the project. So far we have added 25 truck loads of soil and we are into the laser leveling portion. We anticipate completing this phase by the end of the week.

In the next phase we will install irrigation which will include new underground pipe, irrigation heads and communication controller. Once this phase begins it will take about 4-5 days to complete the installation and then we will be ready to move onto grassing!

For the grassing phase, we plan to truck in approximately 74,000 square feet of "419" Bermuda sod (grass used on our fairways and tees) for the hitting areas and another 6,000 square

CONTINUED NEXT PAGE

CONTINUED FROM PAGE 13

feet of Mini-Verde sod (grass used on our greens) for the chipping green. We will also install the mats at the back of the range during this phase of the project. And we are estimating another week of work for the grassing phase.

The final phase will be the grow-in. We will use several products to help speed up the process of getting the turf tacked down and filled-in. 1st we will use a generic 10-10-10 fertilizer and dolomitic lime that we will put down before the turf is installed, this will help get nutrients into the soil to create a good growing medium. Typical high nitrogen fertilizers can cause the PH to climb and by putting down lime we can bring those numbers down. Once grassed, we will be applying ammonium sulfate 21-0-0 and an organic 5-3-0 fertilizer to promote rooting and seam fill in. Of course with any grow in we must apply liberal amounts of topdressing sand to help get everything smooth, the process of topdressing the range tee and short game area will continue regularly throughout the growing season.

Once the project is complete we will have a practice tee roughly 3 times larger than the size of the previous tee and a short game practice area which will feature a 360 degree hitting area and bunker. We currently are targeting a re-opening date of June 1, depending on weather!

Range Warm-Up Area

A "WARM-UP" area at the site of the current members tee is open. However, due to limitations on space we are limiting use to 1 BAG of range balls per member. Please be respectful to your fellow members by not abusing this rule!

AccuRange & AccuCaddie Apps

Once the Practice Facility re-opens, we will utilize the AccuRange app which will show GPS distances to all targets on the range and short game area from your smart phone.

We will also implement and utilize the AccuCaddie app which will show a GPS map of the golf course with distances from your location including pin locations (similar to the Visage screen on our golf carts). This will be great for our members who prefer to walk and when carts are restricted to Cart Path only.

**WE THANK YOU FOR YOUR UNDERSTANDING
AS WE WORK TO MAKE THESE IMPROVEMENTS!**

Course Conditions

March and April nighttime temps have been lower than in years past, which have slowed our spring grass growth and green-up of roughs, fairways and greens. As soon as we start to get higher temperatures the greens will start to pop and fill-in allowing us to start back with our regular cultural practices. We look for what's called the "145 degree rule". If you take the high temp for the day and add it to the low temp for the day, if they equal 145 (or higher) for 5 days or more, our Bermuda grass will be growing.

We are still currently doing the following on the greens:

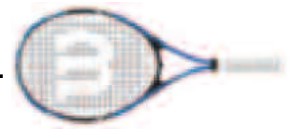

- Mowing daily @.130" (with groomers)
- Rolling weekly
- Spraying liquid fertilizer weekly (including a multitude of liquids plus potassium nitrate and calcium nitrate on an every other week rotation)
- Watering nightly during dry spells

And, On Monday, May 2 we will be verticutting and topdressing as well as applying a granular fertilizer (1/2lb Nitrogen) to spur the greens growth. Until we get the temperatures up where we need, we will continue to do our best. Sometimes Mother Nature just doesn't want to cooperate!

SUMMER CAMPS INFO COMING SOON

The Pool is Now Open for Use!

However, the construction area for the new splash-pad is blocked and off-limits until the project is complete. Please help us by staying clear of the construction area. Thank you for your cooperation as we work through these items.

Below is a rendering of the splash-pad.

Sweetwater Pool Management Company will maintain and oversee Pool Operations this year. Lifeguards will not be on duty until May, so the pool will be open under "Swim at Your Own Risk" until that time.

Final installed version of the splash-pad may vary from the artist rendering. Project completion is expected in the 2022 swim season.

CCGHC NEWS

Austin's Sweetgrass Baskets & More came on two different occasions to teach 25 of our members how to make Sweetgrass baskets. The two Austin sisters, Fritzie and Ladie were extremely knowledgeable and patient while helping each of us individually make a basket of our own to take home.

Skill, craftsmanship and long hours of work are involved in making Sweetgrass baskets. A simple design can take as long as twelve hours. A longer more complex design can take several months. We now believe these baskets are worth every penny they charge!

CCGHC NEWS

THE BEAUTY OF COOSAW

We would love to share your photos of anything that makes our neighborhood beautiful.

Flowers, wildlife, an act of kindness, whatever you think makes this an amazing community.

Please email me your photos at suweiden@gmail.com. I want to thank Ruth Norton for her two photos of her Cymbidium orchid and her

Japanese Virburnum tree.

Our next event is the Coosaw Creek Annual Garden Tour on May 17th with buffet lunch to follow at the clubhouse. We are excited to have six beautiful gardens on the tour this year. The invitation via Punchbowl will be sent out soon.

Save the Date for "A Tea Party" on June 21st.

Women 4 women

Our event for April was painting wine glasses with April Rivard at the Club. We used our artistic talents and painted a watermelon using several layers of colors to create the design. It was beautiful weather and we had a good turnout and everyone had a good time laughing & painting. We will be repeating a painting class with April since everyone enjoyed this project so much.

Three May events planned. Thursday May 12th we have a Kiawah lunch at the Ocean Course and some shopping. Please respond

by May 9th to donna.stumpf@gmail.com if you are going. Also, we are collecting for Low Country Orphan Relief. Check Coosaw Living for list from Chelsea Lusby for what they need. May 20th is our first trip back to the Low Country Food Bank from 9 – 12. Meet at the pool at 8:20am to carpool. This is our first time back in 2 years due to the Pandemic.

If you would like to join Women4Women please email donna.stumpf@gmail.com or Laurie Hotaling(treasurer) lzanthony0403@gmail.com.
